Subscription Rates — Annual Institutional Subscription Rates 1994: North, Central and South America, U.S.$355, Rest of World £230. Sterling prices exclude VAT. Non-VAT registered customers in the European Community will be charged the appropriate VAT in addition to the price listed. Prices include postage and insurance, and are subject to change without notice. *Specially reduced rates to individuals*: Individual members of the Medical Council on Alcoholism may subscribe at the much reduced rate of £25.00 per annum. Also, any member of the European Society for Biomedical Research on Alcoholism (ESBRA) may purchase a subscription for personal use at the much reduced rate of £30.00. Subscription enquiries from customers in North America should be sent to the New York office and from the rest of the world to the Oxford office (see below for addresses).

Back issues of all previously published volumes, both in hard copy and on microform, are available direct from Elsevier Science offices (Oxford, New York).
